

# How to buy bus ticket in Aarhus traveling from Aarhus City to the Congress Venue

On your mobile phone go to the homepage:

<https://webshop.midttrafik.dk/>

You will see this picture:

If you are not in the English language, you can choose that in the Menu:

Write in **From** box

**Busgaden**

And in the **To** box

**Lyseng Allé/Oddervej (Aarhus kom)**

Follow the instructions on the homepage.

You will need some form of identification (passport, visa, driver's license, etc.) and a valid credit card to complete the order.

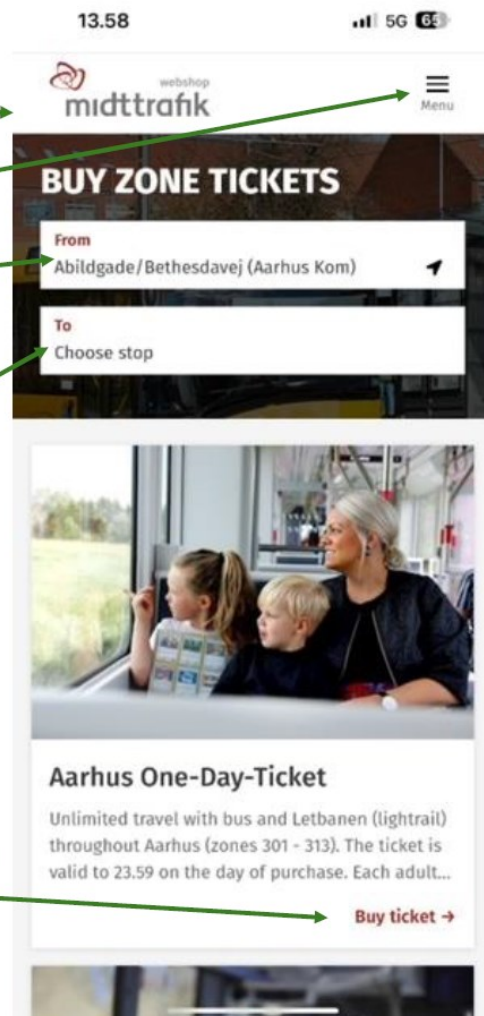

You will end up with a ticket on your mobile phone.

Instead of a single-trip ticket, you can purchase a ticket that is valid for a full day (zones 301 - 313). The cost will be nearly the same as two single-trip tickets.

You must buy the ticket before you start your journey.

You can also buy bus tickets from

Billund Airport or Aarhus Airport to Aarhus City on the same website.

# Aarhus Airport buses - route 925X

## Departure and arrival

Departure and arrival in Aarhus C takes place in the square Banegårdspladsen - next to the central station. Look for route number **925X**.

## Search for departure times

At the top of the page, it's possible to search on scheduled departures. Not all flight numbers have their own dedicated bus departure. If your search does not produce a result, search on the date to see a complete list of departures on that day.

The timetable is aligned with flight departure times and check-in times

## Important information:

- Remember to check regularly that the bus is running – the timetable can change up to 24 hours beforehand. The travel guarantee does not cover timetable changes that have been announced in advance.
- Departure times from Aarhus Airport are approximate.
  - Calls are made in the arrivals hall twice, 5 min. before departure and 3 min. before departure.
  - The bus driver will call airport security to make sure that all passengers have passed through the arrivals area.
  - Once all passengers have come through the arrivals area, the bus will not necessarily wait until the scheduled departure time.

The timetable is basically aligned with flight departure times and Aarhus Airport's check-in times. Smaller flights are often serviced by bus together with larger flights, which can result in waiting time.

If flight times are changed, or if a flight is delayed, the bus departure times are changed accordingly, and if a flight is cancelled, the airport bus is likely to be cancelled as well.

It is a good idea to keep an eye out for any changes to bus departure times on this page.

See more information below.

Maybe a bit more difficult to arrange, but cheaper than the train:
